

12 December 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 12 December 1966

The Director gave the DD/I Agency and State cables on the Jordanian situation and asked that he share them with Kent. He reported that he discussed [] with the Under Secretary of State yesterday. (See Action I)

25X1

The Director described the State Department's attitude on Macao as nervous and asked that the Agency stay alert on this problem.

[]

25X1

Godfrey called attention to a news dispatch suggesting the presence of 100 additional MIG's in North Vietnam. He said that intelligence available does not support such an accretion and that our inventory is still 111.

Kent reminded that the Secretary of the Navy is coming to Headquarters today to be briefed on the Agency's position on the Tallin sites. Kent will host the luncheon.

DD/S called attention to Jack Anderson's article on Air America in this morning's Washington Post.

Carver said that in the course of the day he will send the Director's office names of personnel in response to Komer's request on South Vietnam. He will brief Walt Rostow Wednesday on pacification.
